

Dash as fast as you can!

Dodge the oncoming obstacles!

In the new endless runner android game, you have to help the small penguin run and escape from the impatient hunter by joining the most daring chase!

Pingu needs help to complete its "journey" by passing all the obstacles and collecting all the fish.

Since the game is one-touch control, it should be very easy to play.

You have to:

- drag up to jump
- drag down to slide
- drag left or right to change the lane

The game is safe for children and can be played by those ones who are already 3 years old.

People don't need internet connection or any special permission from their phone in order to play.
